

# Tennis & Pickleball Facility Policies

## **Court Reservations**

Courts can be reserved by Club members only.

One court per reservation for 30, 60 or 90 minutes.

Use the Club Life app to reserve. Questions: call the Pro Shop (601) 856-0220.

Maximum of 4 days and 0 hours ahead of time (e.g., a 10am Saturday court can be reserved no earlier than 10am on Tuesday).

## **Dress Code & Court Etiquette**

Players must wear appropriate tennis or pickleball attire, including shirts and non-marking court-specific shoes. Players must adhere to proper tennis and pickleball etiquette, including showing respect for fellow players, maintaining a reasonable noise level, and avoiding offensive language or behavior.

## **Safety**

Players should warm up properly before playing to prevent injuries and must follow any safety instructions or warnings provided by facility staff. Spectators are responsible for their own safety and should not access the playing areas.

## **Facility Rules & Regulations**

All visitors must comply with the facility's overall rules and regulations, in addition to the specific policies related to tennis and pickleball. Failure to comply with the rules may result in suspension of court privileges or other disciplinary action.

## **Guests**

Members are welcome to bring guests for social play at \$10/player each time.

Effective January 1, 2024: A guest may play up to 2 times per month. Thereafter they must become a member, or wait until the following month.

Guests may also do lessons, clinics and events. \$10 guest fee for 1 hour private lessons. \$5 guest fee for half hour private lessons, semi-private lessons, clinics and events.

Guests must check in at the Pro Shop, provide contact info and sign a liability waiver.

## **Communication**

Information, news and upcoming events are communicated by email occasionally, but mainly through the GroupMe app. The Pro Shop staff are glad to help you to get on those groups, and links for those can be shared via email also.

## **Lessons**

Private & group lessons can be scheduled with any of our tennis or pickleball coaches. Our coaches are certified through USPTA, PTR and/or PPR. They are welcoming, professional and pursue excellence by continuing to learn the most modern, advanced methods to teach these ever-evolving sports.

If a player has to cancel a lesson, we ask that they do so as soon as possible, ideally at least the week before. There is no cancellation fee except in the case of a same day cancellation or no-show, in which case the cancellation fee is half of the lesson fee.

## **Clinics**

We offer adult and junior clinics for all levels and ages, in which players will hit a lot of balls, learn technique and strategy, get a good workout, and have a great time. Some clinics are open and don't

require sign-up and some are opt-in for 6 weeks or other.

Open clinics are published on theclubms.com and paper copies are available in the Pro Shop.

### **Events**

Our social events are always enjoyed by our community, and sign-up is sometimes individual and sometimes with a partner (we can help pair players up if needed). Formats are usually either team based, champs-and-challengers (you win, you move up; you lose, you move down), or open play.

Events are also published on theclubms.com and paper copies are available in the Pro Shop.

### **Ball Machines**

There are two tennis ball machines and one pickleball ball machine, which can be rented at \$12/hr. or unlimited \$125/year for an individual (\$150/family). To reserve a ball machine, please call the Pro Shop (601) 856-0220.

### **League Teams**

USTA, JLTA and pickleball league teams may be based out of The Club if the captain is a Club member and there are no more than three guests on the team for 4 or 5 court league formats, or two guests for 2 or 3 court formats. **Guests may only play two seasons of league at The Club** before having to join The Club, unless they live 20+ miles (by car) away, in which case they can play on a continuous basis.

Guests must pay a \$4 guest fee any time they play a league match at The Club, and \$10 any other time they play at The Club.

### **Pro Shop & Racquet Services**

Our Pro Shop offers a variety of racquets, paddles, string, accessories and apparel. Additionally, we have one of the only Master Racquet Technicians in the area who can offer expert advice and custom service for your racquets and strings.
